San Cristóbal Island

PLACES THAT TIME FORGOT astound with mystical ruins hidden for centuries and giant tortoises a century old on this unforgettable 16-day journey by land and sea. Spend a week in Peru exploring colonial cities and private ranches, meeting the locals and ascending into the mountains to see where mighty Incan empires once thrived, traveling from Lima to Cusco and Machu Picchu – ancient cities tucked high up in the clouds. Fly to Guayaquil then on to the Galápagos, spanning the Equator. Make yourself at home aboard the all-suite, 100-guest *Silver Galapagos* as she plies the seas to remote tropical islands that are both isolated and awe-inspiring. Here you will discover indigenous wildlife found nowhere else in the world with insights provided by a team of onboard naturalists along with our BBC Earth Certified Tauck Directors and custom BBC Earth film vignettes. Observe wildlife up close on daily shore excursions* with expert naturalists on lava-topped island landscapes and while snorkeling and kayaking* amidst Galápagos penguins and fur seals. This is an active journey requiring a fair amount of walking, often on uneven terrain; several days touring at elevations up to 12,200 ft. in hot and humid weather can be strenuous and challenging. Daily shore excursions will include wet and dry landings on diverse Galápagos islands. Wet landings will be made by *panga* (Zodiac-style rafts) on sandy or rocky beaches and may require wading ashore in shallow water. We may not visit each of the islands in the order outlined, but we typically visit two different sites per day. Our Galápagos itinerary is subject to change due to wildlife encounters, atmospheric conditions and Galápagos National Park directives. For activities marked with an asterisk (*), participation is at your own risk and a signed liability waiver will be required. **Note:** Tour of Mar 16 will stay at Tambo del Inka, a Luxury Collection Resort & Spa, Valle Sagrado night 3.
